I drafted that order so it was my mistake. I usually double check my hard copies of PTPs with the docket and did not do so this time. My apologies.

Attached is a draft of an order correcting my mistake.

See below. Attached is the order, docket and SXM filing that he is referring too. SiriusXM filed their petition on time, but were not listed in the order.

Will an update to the order be sent out to add Sirius XM or does he need to put something in writing addressing the Judges as he suggested in his email?

Let me know how I should respond to him.

Thanks.

Sorry, one more question: the order does not mention having received a petition from Sirius XM, although the Sirius XM petition is listed on the docket. Is Sirius XM currently considered a participant in the proceeding?

I'd appreciated any clarification -- and am happy to take it up with the Judges if that is the appropriate course of action.

Thanks very much.
